📍 Cairo, Egypt

### Profile

I am a MERN stack web developer with 3+ years of experience in building scalable and user-friendly web applications. I have a strong understanding of JavaScript, MongoDB, Express, React, and Node.js. I am also proficient in using web development tools and technologies such as Git, GitHub, and Strapi. I am a highly motivated and results-oriented individual with a proven track record of success. I am confident that I can use my skills and experience to make a significant contribution to your company.

### Skills

- JavaScript , HTML , CSS , JQuery , ES6+
- MERN stack (MongoDB, Express.js, React, Next, Node.js)
- REST APIs, JSON
- Jest
- Gulp.js
- Strapi
- Git / GitHub
